**DESCRIPTION/OPTIONS:** We are listing this great low mileage Short Bus with Only 117,564 Miles. It has the strong 6.0L Gas engine and a 4 speed 4L80 Automatic transmission. We bought the unit and have gone through the brakes and tested all the other systems, so the Bus runs & drives great! The bus has front Heat & A/C and the interior is in excellent condition, the rear A/C DOES NOT WORK as it needs a Very Expensive Condenser in the rear of the bus. We sell a few of these buses a year to folks that make them into campers... and they Love 'em! Please take a look at the pictures for the general condition of the bus, and it even has a wheel Chair lift that work great! Stock # 201130
