DESCRIPTION/OPTIONS: We buy these Great Running 6.6L LMM Duramax Diesel Short Buses at the end of their 10 years of service. We then go through them and fix what is needed (This one got rebuilt Transmission!) most get new Glow Plugs as this unit did and brakes if needed. This 4 window Short Short Bus was a great Runner from day one and received 8 Glow Plugs, and Oil Change and a thorough inspection! Most of our buyers of these buses use them as "Party Buses", Campers or to haul Race Vehicles. Hell, we use one with a trailer to pick up trucks and Buses all over New England... Keep an eye out for our Lime Green Short Bus! The School "Safety Stuff" has been removed and this Bus can be driven as seen for personal use. IF you want it for Commercial Use IT WILL HAVE TO BE Painted a different Color as we did. These buses are a pleasure to drive and drive like a normal Van. Come on in and take one for a Spin!
