**DESCRIPTION/OPTIONS:** We buy these Great Running LMM 6.6L Duramax Short Buses at the end of their 10 years of service. We go through them and fix what is needed ( most get new Glow Plugs, Brakes, 2 new batteries, oil and filter change.) This unit has just arrived and we are in the process of going through it. Mileage on this beauty is 120,070. Most of our buyers of use them as "Party Buses", Campers or to haul Race Vehicles. Hell, we use one with a trailer to pick up Trucks and Buses all over New England. The School "Safety Stuff" has been removed and this Bus can be driven as seen for personal use. IF you want it for Commercial Use IT WILL HAVE TO BE Painted a different Color. These buses are a pleasure to drive and drive like a normal Van. Come on in and take one for a Spin!

Just Chevy Trucks
