We bought the unit as part of a package deal with a transit company and the Bus Runs & Drives Great! The bus has front and rear Heat, A/C and the interior is in excellent condition! This Bus is powered by a 6.6L LMM Duramax Diesel Engine and a smooth shifting 4L85 4 speed automatic transmission. This unit was given the once over to include, cutting the front brake rotors, New brake pads, replace lug studs, EGR Cleaned, oil & filter change, 8 New glow plugs, replace temp control, Maine State Inspection and 2 batteries! Most of our buyers use them as "Party Buses", Campers or to haul Race Vehicles. Hell, we use one with a trailer to pick up Trucks and Buses all over New England.
